Topic: Mountain Villas Association Cable Connection

Since we have some new owners and others who might have some questions, I did send an email to all homeowners with information on our cable connection.

As a reminder:

The Mountain Villas Association Monthly Assessment includes the Cable System – Basic (Additional options are available at an extra charge). This includes 2 connections per unit for basic cable.

If you require any additional services, please contact Armstrong Cable to set up your own account. We cannot add any additional services for you on our account.

These extra services would then be billed to you through Armstrong and include:

- Additional TV hook ups
- Extra or Premium channel packages
- DVRs
- Internet

The numbers for Armstrong is 877-274-0245 or 877-277-5711.
